The Object of Rotary

THE FOUR WAY TEST: OF THE THINGS WE THINK, SAY, AND DO

1. *Is it the TRUTH?*
2. *Is it FAIR to all Concerned?*
3. *Will it build GOOD WILL and better Friendships?*
4. *Will it be BENEFICIAL to all Concerned?*

Chuck Davison CEO of Visit SLO CAL

Chuck Davison has two primary goals as president and CEO of Visit SLO CAL: to drive awareness of SLO County as a destination of choice for potential visitors and increase demand for all products and services related to tourism. Chuck refers to himself as a “destination architect” and is working with his nine member staff to create a destination development strategy he refers to as “placemaking”. Chuck noted this is bigger than tourism and is good for both residents and tourists.

Chuck brings 25 years of experience in tourism, travel, hospitality, lodging and management expertise to this job. He was born in Las Vegas and received a degree in business administration & marketing from UNLV. He began his career working in the lodging and gaming industry in Las Vegas. He then became the executive director of an international non-profit before joining Expedia as a VP & general manager. Chuck moved to the Central Coast in 2012 with his wife Kristin & 4 daughters.

The current marketing campaign identifies “SLO” as a place to enjoy a slower pace of life and do things that matter most. Their website at www.slocal.com is very inviting with photos and videos of interesting things to do, places to stay, eat & drink as well as special events & activities. Chuck showed members a recently created video that won a “Poppy Award” for the best digital marketing campaign. It is excellent at capturing the region’s laid back lifestyle and beautiful scenery.

In addition to gathering marketing research and analysis such as a new economic impact study, Chuck spends a great deal of time courting airlines to open new routes to connect SLO to places like Seattle via Alaska Airlines or Denver via United Airlines. These new routes are excellent gateways for expanding tourism from both domestic and international regions that were previously difficult to reach.

Visit SLO CAL’s \$4 M budget is funded by a 1% Transient Occupancy Tax (TOT) that funds our Tourism Marketing District..
