The Object of Rotary

THE FOUR WAY TEST: OF THE THINGS WE THINK, SAY, AND DO

1. *Is it the TRUTH?*
2. *Is it FAIR to all Concerned?*
3. *Will it build GOOD WILL and better Friendships?*
4. *Will it be BENEFICIAL to all Concerned?*

Julie Dahlen, Community Service Director Paso Robles Community Services Department

The new Community Services organization is an important social catalyst for the City of Paso Robles. Julie Dahlen has been leading the Community Services team since it was re-organized last fall combining the old Library & Rec Services with additional responsibilities and capabilities. Julie and two of colleagues, Lynda Plescia and Heather Stephenson provided an excellent overview of how their organization is growing and evolving to meet our community needs.

Julie Dahlen (*top left*) has worked for the City for 22 years, first as a school teacher and then as head of Library Services. The Community Services Department consists of Library Services, Recreation Services, and Parks and Facilities Maintenance Divisions. Library Services is run by Angelica Fortin who previously spoke at Rotary. The Parks & Facilities Maintenance Division is led by Freeda Berman.

Recreation Services is managed by Lynda Plescia (*middle left*). She oversees Community Events, Aquatics, Contract Classes, and Fields. Lynda came to the City in 2003 and was very involved in the refurbishment of Centennial Pool. In addition to a robust aquatics program, Lynda is responsible for the Concerts in the Park series that runs from June 1 - August 17 this year. Lynda is also working with Julie on their strategic plan. Lynda noted the importance of the REC Foundation, a non-profit fundraising group committed to creating enhanced programs, places, & open spaces for quality recreational experiences in Paso Robles.

Heather Stephenson (*bottom left*) is the Recreation Marketing Coordinator responsible for producing the *Recreation Guide* including an on-line green version. She tracks the 450 activities per month involving 3,750 attendees making great use of City recreation programs.
