### Annual Bearcat - Greyhound Lunch Program Prelude to the Rivalry Football Game

The annual football lunch program was hosted by our club last Thursday as a prelude for this traditional regular season ending game. It was a full house with great representation by the Paso Robles & Atascadero Rotary clubs, football teams, coaches, cheer leaders, and trainers.

President Pat Sayne recognized Don Keefer who was in attendance. Don has undoubtedly seen more Bearcat-Greyhound

games than anyone attending the lunch. Don recalled an experience playing a game in 1941 in the Sunken Gardens and having to run uphill at times because the field was not level.

Pat also recognized Atascadero Rotary President Charles Bourbeau who noted what a memorable event this is that players will remember for a lifetime. Charles also challenged the Paso Robles club to a wager with the game loser paying \$100 to the winner's scholarship fund. (See page 2 of the bulletin to find out which club's scholarship fund has an extra \$100 for next year's awardees.)

As is typically the case, there was a lot of respect and camaraderie shown by both teams at lunch. While everyone plays extra hard in a rivalry game like this, it is evident that there are strong community bonds that transcend the game itself.

## And the Winner Is.....The Bearcats!

Paso Robles High School won this year's rivalry game 21-14 to win their first league title outright since 2011. The Bearcats performance was sparked by numerous players who have seen limited playing time this season such as 3rd string QB Reese Brumley. All 3 Bearcat touchdowns were scored by the two smallest players on the field, Daede Murphy and Orlando Quintana, showing rivalry games are won by heart, not size. *SLO Tribune Photo*
