## The Object of Rotary

**THE FOUR WAY TEST: OF THE THINGS WE THINK, SAY, AND DO**

1. *Is it the TRUTH?*
2. *Is it FAIR to all Concerned?*
3. *Will it build GOOD WILL and better Friendships?*
4. *Will it be BENEFICIAL to all Concerned?*

## Becky Gray, Executive Director Must!Charities

Becky Gray is a real catalyst for charitable giving in the North County as Executive Director of Must!Charities. Their mission is simple and refreshing - to uncover a pressing need in the community and then provide meaningful support to a solution.

Must!Charities was formed in 2012 by local business leaders and other friends who had a vision to create a public gifting organization where they could combine their resources toward toward local initiatives they couldn't fund or manage on their own.

Becky was hired as the first executive director after running the SLO Wine Association where she worked with many of the wine industry leaders who are key contributors to Must!Charities. She and her husband Randy moved to Templeton from SLO in 1998. She loves the slower pace of life and the friendly, caring people who live here.

Their efforts to date are very impressive with current multi-year commitments to numerous local organizations including: Boys & Girls Club (\$140,000), Big Brother Big Sister (\$252,371), Court Appointed Special Advocates (CASA) for Children (\$252,551), and the El Camino Homeless Organization (ECHO) (\$500,000). The size and duration of these commitments are intended to provide sustainable resources to meet community needs over many years. Funds are distributed in installments over time based on bench marks met each quarter by the individual charities. Since the executive board provides for all general administrative costs, 100% of individual donations go right to the need. So please consider giving to Must!Charities - an investment well spent!

## Food for Thought... or Maybe Not

- Do twins ever realize that one of them is unplanned?
- What if my dog only brings back my ball because he thinks I like throwing it?
- If poison expires, is it more poisonous or is it no longer poisonous?
- Many animals probably need glasses, but nobody knows it.
- 100 years ago everyone owned a horse and only the rich had cars. Today everyone has cars and only the rich own horses.
- Your future self is watching you right now through memories.
- The doctors that told Stephen Hawking he had two years to live in 1953 are probably dead.
- Every time you clean something, you just make something else dirty.
- If 2/2/22 falls on a Tuesday, we'll just call it "2's Day".(It does fall on a Tuesday).
