Nick Frankle, District Governor 2016-17

Rotary District 5240

Nick Frankle joined the Westlake Village Sunrise Rotary in 2002 and has made the most of his 14 years of service. He was club president in 2006-07. During his presidency, the club was recognized as the best medium club in District 5240 and the best large service club in his home community of the Conejo Valley. He has also served as Club Service Chair, International Service Chair and Foundation Chair. He was also an Assistant Governor and Executive Assistant Governor for District 5240 as well as Membership Chair, International Service Chair and

Communications Chair. Nick was a member of the Zone 26 team implementing the Ignite Membership Initiative. In 2014-15, Nick and his wife Heather, a member of the Simi Sunrise Rotary Club, served the District as Co-Chief Operating Officers. Nick and Heather are Major Donors, Benefactors and members of the Bequest and Paul Harris Societies.

Nick grew up in Maryland. He comes from a family steeped in doing good work in the community. He has a BS in Physics from John Hopkins and a MS in Computer Science from University of Maryland. His career in information technology and telecommunications included both private and public sector jobs. Nick married his high school sweetheart, Heather, in 1966. They celebrated their 50th wedding anniversary this year. They have 2 children, 2 grandchildren and 2 dogs.

Nick's lunchtime address included many stories of his service in Rotary. Some of his most satisfying experiences come from doing little things to help others. He challenged members to look around the community and "look small as well as big to make a difference in someone's life". Nick is focused on welcoming younger people to join Rotary and asked that members consider serving as a mentor to encourage their participation. He noted this year's Rotary International theme of "Rotarians Serving Humanity" complements the District 5240 theme "If you can dream it, you can do it." Nick Frankle is certainly a "doer".
